## TERMS AND CONDITIONS BUYER'S GUIDELINES

1. All items will be sold without reserve at absolute auction unless otherwise noted.
2. We do not permit the owners or agents for the owner to bid on their own equipment. If this happens, it is certainly without our knowledge and consent, and we welcome you to bring it to our attention. The appropriate actions will be taken.
3. All items are sold "As-Is", "Where-Is" without any warranty or guarantee whatsoever. Please inspect all items yourself to determine condition. If assistance is needed, don't hesitate to ask an auction company representative.
4. You must be registered in order to bid!
5. When the auctioneer says "Sold", the item becomes the sole responsibility of the high bidder. Security, removal, and insurance concerns should be addressed.
6. No item can be moved or removed without payment first and a paid invoice in hand.
7. All descriptions, vintages, conditions, equipment accessories, and recent repair notations have been provided by reliable sources. However, neither the auctioneer nor the seller will be responsible for any errors or omissions.
8. Any announcements made by the auctioneer on sale day will take precedence over any term or condition contained in this buyer's guide or any previous advertising.

It is the object of Michael J. Hunyady Inc. and the sellers, that we represent as agents, to treat all bidders fairly and equitably. To assist us, please read and understand all terms and conditions.

## BUYER GUIDELINES

In these days of Virtual Auctions it is critical that the prospective Buyer performs their own due diligence and we highly recommend that you conduct your own physical inspection.

The year of manufacture, physical descriptions, physical condition, and hour/mileage references are to be used as a GUIDE ONLY. We do everything possible to assure accuracy, however we all are subject to errors.

Year of manufacture, when available, has been verified by various date-reference publications or verification with the manufacturer. When not available, the year may be provided by the owner and so noted within the description.

Hour Meter/Odometer readings represented are merely noted from a visual observation of those meters. We make no representation to accuracy.

The conditions represented are assessed only from a physical walk-around and very limited operational functions.

All items are sold AS-IS and NO WARRANTY of merchantability or fitness for a particular purpose is being implied.

A glossary of the conditions represented, to be used as a guideline, are as follows:

- Excellent: New, unused, or extremely low hours.
- Very Good: Limited service, usually late model or close to new appearance.
- Good: Normal use, regular wear and tear.
- Fair: More than normal wear and tear, operational, but may have mechanical issues.
- Poor: Shows considerable wear, may be parts only, non-operational.
