

**Absolute Auction
Complete Liquidation
Marks Contracting, Ltd.
Wed., July 30, 2014-9:00AM
Lebanon, PA
(Harrisburg Area)**

Notice: The Marks family, which has enjoyed a time-honored reputation that spans 3 generations as quality sewer & water, pipeline and underground utility contractors, have determined it's time to close operations to pursue other interests. All assets are owned by Marks Contracting, Ltd. and its subsidiary leasing company and will sell at absolute auction to the highest bidder, without minimums, reserves, or buyers premiums. Please plan to attend this single-seller liquidation of well maintained and well spec'd equipment!

Location: The auction will be held at the main facility at 1720 Grace Avenue, Lebanon, PA 17046

Sales Tax: Since Marks Contracting is selling items not normally sold in the course of that business, the Commonwealth of Pennsylvania considers this an isolated sale and does not require the auction company to collect sales tax. However, all items sold by the subsidiary leasing company are subject to collection of sales tax and tax will be collected at a rate of 6% unless valid exemption is presented. These items are noted within the brochure on major items only. All items subject to sales tax will be noted in the sale day catalog.

Removal: After complete payment, all sale items may be removed on sale day as long as the removal activity is not disruptive to the sale and only until 5:00PM. Items may also be removed Thursday and Friday, July 31st and August 1st and Monday thru Wednesday, August 4th thru August 6th, from 8:00AM until 4:00PM. All items must be removed no later than Wednesday, August 6, 2014 at 4:00PM
