

ABSOLUTE AUCTION
Surplus Equipment Liquidation
Northeast Ohio Trenching Service, Inc.
Thursday, April 22, 2010 – 9:00 AM
Warrensville Heights, Ohio

NOTICE: Northeast Ohio Trenching Service, Inc. has determined a significant portion of their fleet to be surplus to the 2010 construction season. This is a substantial downsizing to a very clean, one-owner fleet of equipment and trucks. Northeast Ohio Trenching will, however, continue to offer the finest quality workmanship and professionalism in the sewer and water utility construction industry, as they have for the past 30 years. Everything in the auction is owned by Northeast Ohio Trenching and will sell to the highest bidder regardless of price and without buyer's premium!

SALES TAX: Since the assets owned by Northeast Ohio Trenching Service were not normally sold in the course of day-to-day business, the State of Ohio considers this an isolated sale and does not require the auction company to collect sales tax. However, there are a few items that are owned by Vrcek Leasing, Northeast's internal leasing company, these items were purchased for resale and therefore are subject to sales tax. Ohio State sales tax will be collected at the rate of 7.75% on these items, unless valid exemption is provided. This is noted in the lot description.

REMOVAL: After complete payment, all sale items may be removed on sale day as long as the removal activity is not disruptive to the sale and only until 5:00 p.m. Items may also be removed Friday, April 23, and Monday, April 26 thru Thursday, April 29, 2010 from 8:00 a.m. until 5:00 p.m. All items must be removed no later than Thursday, April 29, 2010 at 5:00 p.m.
