Complete Liquidation  
PAN Companies, Inc.  
Thursday, March 17, 2011 – 9:00AM  
Easton, Pennsylvania  
(Allentown Area)**

**Notice:** Following a successful career of over (35) years in the road paving, site excavation and development, and snow maintenance industries, the owners of PAN Companies, Inc., Mr. Peter A. Nicholson, has decided it is time to retire and completely liquidate all assets in order to pursue other personal interests. A few items have been added by area contractors and CoActiv Capital Partners and are so noted. All items will sell at ABSOLUTE AUCTION, without minimums, reserves, or buyers premiums!

**Auctioneer's Note:** The majority of the equipment has been purchased new by PAN Companies and has been very well maintained!

**Sales Tax:** Since these contractors are selling items not normally sold in the course of their businesses, the Commonwealth of Pennsylvania considers this an isolated sale and does not require the auction company to collect sales tax. However, items being consigned by CoActiv Capital Partners (a lending institution) are subject to 6% PA Sales Tax and are so noted.

**Removal:** After complete payment, all sale items may be removed on sale day as long as the removal activity is not disruptive to the sale and only until 5:00 p.m. Items may also be removed Friday, March 18th and Monday thru Thursday, March 21st to March 24th, from 8:00 a.m. to 5:00 p.m. All items must be removed no later than Thursday, March 24th at 5:00 p.m.
